

Dear Parents,

As we approach the time when you will be buying uniforms for next year, I wanted to reiterate the changes in the dress code and make one further exception. The following is the information that has been on the school webpage since early this year and will be incorporated into the Parent/Student Handbook for 2017-18:

All girls will wear the navy blue pullover shirts. There is one exception. The white blouse, including the Peter Pan collar, may be worn under jumpers only.

All boys will wear the white pullover shirts.

The dress code for Mass days will remain the same - white oxford shirts (with ties for the boys).

We have also put into place a smock uniform for the girls in Pre-K3 only.

I recognize that some of you have still usable white pullover shirts for your girls. Next year on some cold weather days we will announce and allow the white girls pullovers to be worn with the blue pants. Hopefully, this will allow you some time to phase out those pullovers.

All other uniform regulations will remain the same. I personally will be wearing shorts and a golf shirt for the entire year (:

Yours,

Herb Boasso
