ANNUAL REPORT

2019 to 2020

A 70 YEAR JOURNEY

Mrs. Angela Isaacs **FROM OUR PRINCIPAL**

Together for 70 Years!

We started this school year with great expectations of celebrating 70 years of our Fatima School Legacy!

Our theme for the year was Roadmap to Sainthood which includes our past and present journey. Wherever the journey takes us in this life, we practice the virtues that lead us to Heaven and to Sainthood. Our goal at Fatima was and always will be to get our students to Heaven. We teach them about our Catholic faith — the traditions, the beauty, and the doctrine. On this journey, we practice the virtues of sainthood that will one day lead us home to God our Father, virtues of acceptance, sharing, service, peace, prayers, kindness, gratitude, joy, and love.

Little did we know that our 70-year journey would challenge us to practice these virtues in new ways through separation and COVID distance learning. But together, we've grown in this journey. Together, we've practiced the virtues.

Together, our 70-year legacy reveals that...

Together,
**OUR 70-YEAR LEGACY
REVEALS THAT ...**

We are more ...

We are more than Curriculum ...

We are Catholic

We are more than Testing ...

We are a Team

We are Marian

We are more than Writing ...

We are Warriors

We are more than Friends and

We are Faith, Family, and Future

We are more than a school...

We are Fatima Strong

*Thank you for supporting
the Fatima Mission!*

FROM OUR PASTOR

"Roadmap to Sainthood" was the theme for the year 2019-2020 as our school celebrated seventy wonderful years of Catholic formation and education.

The number seventy calls to mind the book of Exodus that tells us of the seventy direct descendants of Israel (Jacob) who settled in Egypt (Ex 1:5). Some four hundred years later, Moses led the Israelites to the Promised Land (Gn 15:13-14 & Acts 13:16-20). God gave His people a roadmap as a guide in their travels (Ex 13:21) and a roadmap to holiness through the Ten Commandments (Ex 20:1-17). In His Sermon on the Mount, Jesus brought these commandments to fulfillment (Mt 5, 6, & 7).

Our theme during the year 2020-2021 is "Chosen to Make a Difference." We also celebrate with our brothers and sisters in the Diocese of Lafayette the Year of Saint Joseph. Joseph is the Spouse of the Blessed Virgin Mary and the foster-father of the Virgin's Son, Jesus Christ, true God and true man.

Joseph is a Hebrew name that means "may the Lord add." In Genesis, Rachel bore a son and "named him Joseph, saying, 'May the Lord add another son for me!'" (Gn 30:24). The Lord chose all believers and followers of Jesus and "added" them as sons and daughters to Saint Joseph, Husband of the Virgin Mary.

Make a difference this year by living the words of Saint Paul, "Encourage one another and build one another up [in love]" (1 Thes 5:11 & Eph 4:16). The Annual Report testifies to the impact that living faith and love have on our school family.

Msgr. Jefferson J. DeBlanc, Jr.

A Journey of Faith

From the moment they are born, we strive to give our children the very best. As babies we love and care for them; there is great joy and pride in that first step, and our hearts overflow the first time we hear the words Mommy or Daddy. That inevitable first day of school arrives surrounded by much anticipation, excitement and even a little apprehension. We have pride in their independence and feel good knowing they are being left in capable hands.

Fatima is all about a child's journey, from three years old to fourteen years old. Every single day that they are with us, each child is loved and cherished. We share the teachings of Jesus in class and how they are loved by God and others. Through this love, a Fatima students journey is filled with prayer, service and striving to live in God's grace. The 19-20 school year was filled with challenges, but through God's grace, we met these challenges, bringing forth opportunities for growth in our spiritual life and our "road to sainthood."

Godspeed

TO THE OLF CLASS OF 2020!

On March 13, Fatima School had to close due to COVID-19 and our 8th graders last year at OLF was cut short. The memories that would have been made, the traditions Fatima 8th graders look forward to and saying goodbye to their beloved elementary school did not happen. The administration, faculty and staff implemented plans to make the spring semester as normal and memorable as possible. It started with distance learning and these incredible 8th graders rose to the challenge. In true warrior spirit, these students worked hard, prayed together and ended the school year on a positive note. May God Bless this class always!

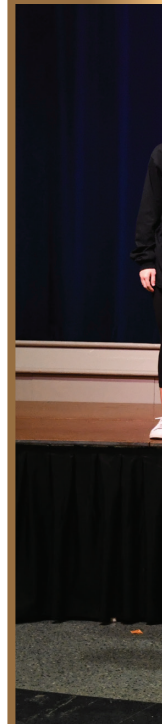

An Academic Journey Event!

"AN INNOVATION CELEBRATION" 70 YEARS OF TECHNOLOGY

For over three decades, Our Lady of Fatima Catholic School has included in its curriculum a symposium focusing on a specific topic. The first six consecutive themes highlighted an area of science. Since 1993, the symposium has facilitated an awakening of many new possibilities ranging from our Catholic faith, athletics, literature, Louisiana's diverse treasures, and the animal kingdom. We have journeyed through cultures of the world and learned how to be good stewards of the planet. The last symposium in 2016 was the Miracle Machine: A Study of the Human Body. Many of you probably remember that one!

For the 2019-2020 school year, the theme was "An Innovation Celebration" 70 Years of Technology. Students at Fatima are blessed with state-of-

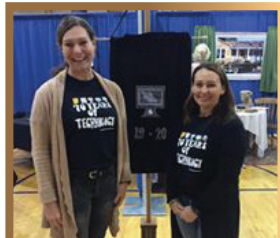

the-art technology, so this school year we decided that knowing its origins will allow students a better understanding and appreciation of how far our school and our world have come with technology. The focus was on how technology has changed over the decades in areas such as transportation, agriculture, sports, and medicine. Students learned the history of communication, music, and entertainment by immersing themselves in hands-on learning, exhibits, commercial broadcasts, field trips, and guest speakers. They explored the history of innovation, gained a better understanding of our community and our world and how best to use these gifts for the greater glory of God. The symposium was a huge success and we appreciate all who made it happen.

THE FATIMA FOUNDATION PRESENTS

Mimi & Pop's Playground

The Fatima Foundation had a very successful year. The \$70.00 for 70 Years campaign allowed us to refurbish the entire PreK-Kindergarten playground. One generous donor, the late Mr. Tom Butcher, was instrumental in making it happen.

When Mr. Butcher heard about the need for the playground, he immediately thought of his deceased wife, Mrs. Betty. He and his children thought this would be a great way to honor her and her love of Fatima for over 65 years. Along with Mr. Butcher, we worked on plans most of the school year. Due to the pandemic, plans got

delayed and the project took longer than anticipated. Unfortunately, Mr. Butcher passed away before it was complete. Fittingly, the playground is now in honor of Mr. and Mrs. Butcher. We know both of them are smiling down on our students as they run, laugh and play on this awesome new play area.
