Parents,

Thank you so much for your interest in pursuing a Catholic education for your child at Our Lady of Fatima Catholic School. We recently celebrated 75 years of excellence in providing students with a high-quality education which is centered in Christ.

Please pay attention to the list of requirements and documentation needed to complete the application process for your child. The application will not be considered for registration until all required items have been submitted. Our admissions department will be happy to assist you in any manner that you need.

We look forward to working with you and your child in the near future.

God Bless,

E. Paul Hebert
