Dear Parents,

Thank you for taking the time to fill out an application for admission to Our Lady of Fatima School. For over 65 years, Fatima has fostered a tradition of excellence in education, and we appreciate your willingness to entrust part of your child's education to us.

In order to keep class sizes to an optimum number at each grade level, we use a priority system when the number of applications exceed available spaces. Those priorities are listed on the Fatima website under "Admissions".

We accept applications online for each child. On our website you will find the list of documentation needed to complete the application process. Please note that the Parish Registration Certificate must also be completed and signed by your Church's Pastor. Non-Catholics must have the form signed by their ministers. It is imperative that all required forms are submitted when you apply online. There will be a \$25 per child Application Fee associated with the online application process.

Thank you for choosing Our Lady of Fatima School for your child's education. We look forward to getting to know and working with your family in order to reach our common goal of providing your child with an excellent Catholic education.

Sincerely,

Angela Isaacs
Principal
