

GUIDELINES

- Keep your students home if they are sick or have a fever
- Follow doctor's orders
- No school temperature checks
- Masks are required for Kindergarten through 8th graders and all adults
- Wash/sanitize hands on arrival when entering a room, bathroom breaks, before and after eating
- Each student should bring their own water bottle and water fountains will remain closed
- No social distancing requirements
- No static groups
- Junior High classes mix and change classes (students will line up single file, and move in one direction)
- Junior High students will have access to lockers
- Self-monitor and report symptoms to the school nurse
- Before School Care will begin at 7:00 am. Registration required via Google form sent 8/8/21.
- Continue isolation areas as needed
- High-touch surfaces will be cleaned a minimum of two times a day
- Bathrooms will be cleaned a minimum of two times a day
- Dismissal – All students will be dismissed from Chance Hall

VISITORS

- Self-assess symptoms using the Health Screening Form before visiting campus
- Sanitize hands
- Drop-off and Pick-up
 - Carline will continue to flow through the Cabbage Patch
 - Parents may park on side streets and walk students in and out of campus in the morning and afternoon
 - The parking lot is reserved for faculty, staff, and PK3 parents
 - Please be mindful and limit time and crowding on campus, in classrooms, and Chance Hall during drop off and pickup
- Campus visits should generally be limited to outdoors

POSITIVE CASES

- Students and teachers who test positive should isolate for 10 days and return on day 11 if symptom-free.
- A general letter will be sent to a class when a positive case is reported
- If exposed, no quarantine is required with vaccination
- A class will go virtual with 25% or 5 positives
- All cases in students and their families must be reported to the school nurse, Elyse Tatford, who will give quarantine instructions.

Parents should continue to read Weekly Warrior Beat and other emails for updates and changes to COVID procedures on campus.
