

Summer Robotics Camp

LOOKING FOR SOMETHING FUN AND EXCITING TO DO THIS SUMMER?

Rachel Ducharme will host a Robotics camp for boys and girls that enjoy problem solving, team work, and of course, LEGOS.

Robotics Camp hopes to provide a unique, challenging learning environment that inspires young minds to apply and sharpen their science, technology, engineering, and math skills.

WHO: FATIMA students entering 5th, 6th, or 7th grades.

WHERE: Mrs. Ducharme's Classroom (Drop off and pick up is at the front of school.)

WHEN: June 14 - 17 from 8:30AM - 11:30PM (Upcoming 5th and 6th grades)

June 14 - 17 from 1 PM - 4 PM (Upcoming 6th and 7th grades)

Upcoming 6th graders will have a choice to attend the morning session or the afternoon session. I will try to honor your first choice.

COST: \$125 per child - Will be deducted from your FACTS Account on May 24, 2021.

A small snack will be provided daily.

Building and programming the LEGO EV3 Robots requires an understanding of Math and Science. Mrs. Ducharme will speak with the current Math and Science teachers to be certain that the student will be successful in building and programming.

Capacity is limited to 12 students per session. Students will be screened on a first-come-first-served basis. Parents will be notified by email no later than May 14th if the student is accepted or not.

Complete the Registration Form
Form can be turned in to the front office, **emailed to rducharme@olf.org**, or mailed to:
Our Lady of Fatima School
Attn: Rachel Ducharme
2315 Johnston St.
Lafayette, LA 70503
