

Science Summer Camp

Join Mrs. Cutrera and Mrs. Roberts for hands-on science fun!

DON'T OVER REACT! Fizzing, bubbling, and popping oh my! Campers will test different chemical reactions using common household ingredients. We will use several unique ways to see these chemical reactions in action. Lava lamps and Alka seltzer rockets are just a few!

- ★ Camp is open to 1st through 3rd graders
- ★ June 5-8 from 12-3pm
- ★ Camp cost is \$125 and includes all materials
- ★ Email child's name/grade to acutrera@olf.org or aroberts@olf.org for registration
