

PATHWAY TO CHRIST

In October of 2006, Our Lady of Fatima School and Parish traveled down the Pathway to Christ and linked the Church and School together with a covered brick walkway. The school community and parishioners left an imprint where their hearts lie, and over 1,000 engraved bricks were sold and currently pave the pathway.

You are invited to be a part of the pathway by purchasing a brick in honor of your family, deceased loved one, a graduate, your child's first day at OLF, a teacher, or any other person in your life you would like to remember. A brick would also make a great birthday, 8th grade graduation or Christmas gift.

Bricks are available for \$100.00 each. All money will go to the cost of the covered pathway and building expenses. You may select the message on your brick. Bricks will be placed on the school side, unless otherwise specified. All donations, are of course, tax deductible.

To purchase a brick complete the attached form. Send it with a check through your child's teacher or mail it to:

OLFS
2315 Johnston Street
Lafayette, LA 70503
Attention: Pathway to Christ

Name _____ Address _____ City/State _____

Zip _____ Phone Number _____ Email _____

Checks only. Payable to OLFS. \$100.00 per brick.

Brick information: 2"x4"x8", 3 lines of text and 14 letters per line

Brick ONE - I would like this brick to read:

Brick TWO - I would like this brick to read:
