In developing these rules and policies, the Administration has tried to be as explicit as possible. Nevertheless, during the school year new and unusual situations will arise. Therefore, the Pastor and Principal have the authority to use their discretion in whatever circumstances the handbook does not precisely apply. The Principal, with the approval of the Pastor, reserves the right to amend the handbook for a just cause in keeping with the spirit of Our Lady of Fatima School's mission. Updates will be posted to the online version of the handbook. When the printed and online versions of the handbook differ, the online version will be followed. By signing the Acceptance of Handbook Policies, students and parents agree to comply with the policies outlined in the Parent/Student Handbook.
