1. A registration form must be completed by all families using After-School Care services. The registration fee will be pulled from your FACTS account in July, 2026 or upon later registration.
2. Your child's attendance status for ASC **cannot** change during the year. However, not all children in the family must follow the same attendance plan. Some children may only need ASC part-time, but another child in the same family may need a full-time schedule. ASC can accommodate your needs. Contact Judith Lucito @ jlucito@olf.org should you have questions.
3. After-School Care ends at 5:30 pm. A \$5.00 late fee will be assessed for pick-up after 5:30 plus \$1.00 for each minute beginning at 5:31. Example: For pick-up at 5:33, you will be charged the \$5.00 late fee plus \$3.00 for 3 minutes for a total of \$8.00. The late fee will be charged through your FACTS account.
4. Refunds will **not be** given if you have paid for a Full-time plan and then your child does not attend for whatever reason.
5. Drop-in attendance is for emergency use only by those students NOT enrolled in ASC. Prior arrangements should be made, when possible, for attendance at After-School Care. Contact can be made with Kathy Donatto, Manager by e-mail to kdonatto@olf.org. In grades Pre-K-2nd, it is necessary to communicate with your child's teacher about After-School Care attendance. A written note is preferable. Please let Kathy Donatto know of any health concerns or changes in pick-up schedules. Fees will be drafted from your FACTS account.
6. Fees are drafted through FACTS on the 15th of the month. All business with regards to payments must be communicated to Judith Lucito by e-mail at jlucito@olf.org.
